Re: BlogPac Amended July 2006 Quarterly Report -- C0040605

Dear Ms. Seay:

I am writing you on behalf of my client, BlogPAC.

With regards to your letter concerning the Amended July Quarterly Report, we maintain that the "Netroots Poll" was properly characterized under Line 21(b). No portion of the expenditure was for a public communication or voter drive activity containing express advocacy as defined under 11 C.F.R. § 100.22. While the poll referred to a clearly identified Federal candidate, it did not expressly advocate the election or defeat of that candidate.

Please contact me if you have any questions.

Sincerely,

COZEN O'CONNOR
